

Significance

1. An Asian theme party is utilized when one wants to embark on sharing food and festivities similar to that of the Asian culture. Focusing on serving Asian inspired appetizers in a buffet style setting will have guests satisfied and feeling as if they are visiting the orient. Creating an oriental or Asian feel to the party by highlighting the party area with quotes from famous Asian philosophers, such as Chuang Tzu in either traditional Chinese or English handwriting, will add great significance and conversation to the party table. **Function**

2. An Asian theme party can be for any occasion, but this is most generally is held for a social gathering of friends and family. Hosting the party in the evening hours will allow for subtle lighting with Chinese paper lamps and lanterns to highlight the outdoor walkway as guests arrive. Giving out oriental umbrellas and fans to guests as they arrive will help them feel part of the theme. Breaking up the party area by dividing it with a Shoji screen will create Asian flair and privacy for guests to mingle near as well. Have volunteers greet guests at the door with a Samurai sword trellis to walk under for a feeling of Asian inspired authority and protection. **Features**

3. The host should greet guests at the door wearing Asian inspired clothing. A kimono works nicely. Oriental music can play in the background setting the tone for the Asian atmosphere. Tables should be draped in red and gold tablecloths. Bonsai trees and smooth river rocks can highlight the tables for decorative accents. Setting up a self serve buffet for guests allows them to help themselves when they get hungry. A sushi bar complete with dipping sauces and cards in front of them that read the exact type of seafood is also a great addition to the food buffet. Rice, soups and boneless chicken and shrimp can also be served in addition to the sushi. Hot tea and Saki served with a Saki set will create a warm ambiance for guests throughout the life of the party. Serve food on Asian inspired square plates with chopsticks. Place a fortune cookie on guest plates to add flair to the Asian theme.

Effects

4. Set up an area for game play and include such games as Chinese checkers and mahjong. Fill up prize bags filled with Asian items such as Asian inspired books, silk scarves, mini Buddhas, and Chinese dragons. Hanging posters and pictures of the orient express as well as other oriental travel posters will inspire guests to get into the feel of Asia and the orient. Having Chinese dancers perform at the party in full costume will create added entertainment for guests. **Considerations**

5. One should consider that not all guests will enjoy eating sushi or seafood. Have alternative foods such as chicken lo mien or chicken fingers for variation. Keep seafood refrigerated until ready to eat to prevent spoilage. Consider having the party catered by a local Asian themed restaurant if finances allow.
